SCHOONER WHARF BAR is hosting the WORLD FAMOUS

# KNOT & SHOT CONTEST

Racers and the public are welcome.

This fun event involves two traditional sailor skills:

## DRINKING & TYING KNOTS

**HERE'S HOW IT WORKS:** A big block of ice is set up like a luge. There will be a slide or track carved into the block of ice. The bartender pours a Mount Gay Shooter down the track, the contestant is at the bottom of the track and drinks the shot. The contestant is then given a rope and has to tie a bowline knot and lasso a piling that is on wheels. It will be about 10 feet away. At the base of the piling, there will be a bottle of KALIK beer. The contestant pulls over the KALIK beer, drinks it, and then turns the bottle upside down on their head.

The winner is the one who completes the Mount Gay Shooter, the Knot, and drinks KALIK Beer in the fastest time. It's a lot of fun to watch, even if you don't want to compete.

The "KNOT & SHOT" COMPETITION will be @ 8PM, JANUARY 22 thru JANUARY 24.

It doesn't cost anything to enter. There will be great prizes, such as bottles of MOUNT GAY RUM and MOUNT GAY XO, great gifts from SAILING SERVICES & HARKEN, and SCHOONER WHARF shirts, bar tabs and other great prizes.
